

# Indiana University Health Inpatient & Outpatient Providers Directory

For 2012 IU Health Benefit-eligible Employees &  
their covered dependents

Indiana University Health

## 2012 Indiana University Health Employee Facility Providers Directory

This directory lists the IU Health providers where IU Health benefit-eligible employees and their dependents can receive inpatient and outpatient care and services which require a lower out of pocket cost by the insured receiving the treatment.

The IU Health Lab Outreach Program is a benefit of the IU Health Benefit Plan that offers financial incentives for using an in-network provider for lab work when a IU Health Benefit Plan enrollee is ordered to have laboratory work done without other outpatient services.

IU Health Benefit Plan enrollees who currently have their blood work done at out of network facilities, such as a physician's office laboratory, may request the physician's lab orders in writing so that they may have the labs drawn at an in network facility and receive the Plan incentive.

When a IU Health Benefit Plan enrollee seeks services from an in network IU Health laboratory, the IU Health lab will accept payment from insurance as payment in full for the services rendered and will not bill the enrollee for a deductible or co-insurance.

### **IU Health Facility**

10% of covered charges up to annual out-of-pocket maximum of: \$2,000/person (max. \$4,000/family)

**Please note: If employees present at an Outreach eligible facility for laboratory testing and the employee has no other outpatient procedure (i.e. radiology) on that date IU Health will accept reimbursement from insurance as payment in full.**

Care you or your dependents receive by the providers listed in this directory will be covered at 90% and you will only be responsible for 10% of the allowed amount, after deductible and copays.

If you need inpatient or outpatient care or services that cannot be provided at a IU Health Facility it will be covered at the same rate as a IU Health Facility. For questions contact Bob Flood at 317-962-3063 or rflood@IU Health.org.
