

IU Health Prescription Benefits

Employee Assistance Programs

Our Pharmacy Benefit Management (PBM) goal is for all members to be able to receive their medications, to remain compliant, and to increase their quality of care.

If you are unable to afford your copays, please call the PBM Customer Service Center.

Customer Service: 317-963-3345

Toll Free: 877-769-0188

We will work with you to explore your options to be able to receive your medications.

Social workers and pharmacy managers are able to work with the prescriber to coordinate assistance through:

- Manufacturer-sponsored patient assistance programs (PAP)
- Co-pay assistance programs
- www.rxassist.org
- www.needymeds.org

Please be sure to always ask your questions and obtain consultation when picking up your medications.

Thank you
