The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 844-552-7805. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 844-552-7805 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In-network <u>providers</u> under Basic <u>Plan</u> : \$2,000/individual or \$4,000/family Out-of-network <u>providers</u> under Basic <u>Plan</u> : \$5,000/individual Does not apply to the Critical Illness Benefit.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>Plan</u> begins to pay. If you have other family members on the <u>Plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> , Critical Illness, Convalescent/Custodial Care, Nursing Home, Assisted Living Facilities and <u>Home Health</u> <u>Care</u> benefits are covered before you meet your <u>deductible.</u>	This <u>Plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>Plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	In-network <u>providers</u> under Basic <u>Plan</u> : \$2,000/individual, \$4,000/family; Out-of- network <u>providers</u> under Basic <u>Plan</u> : No limit	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services involving essential health benefits. If you have other family members in this <u>Plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this <u>plan</u> doesn't cover, non-essential health benefits including private duty nursing, custodial care in a skilled nursing facility, and care in a convalescent home, custodial care facility, nursing home, or assisted living facility, expenses for services from out-of- network <u>providers</u> under your Basic <u>Plan</u> , and care for which you fail to obtain pre- authorization required under your Basic <u>Plan</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See the website for your Basic <u>Plan</u> or call your Basic Plan for a list of its in-network <u>providers</u> .	You will pay less if you use a <u>provider</u> who is in-network under your Basic <u>Plan</u> . You will pay the most if you use an out-of-network <u>provider</u> under your Basic <u>Plan</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your Basic <u>Plan</u> pays ( <u>balance billing</u> ). Be aware your network <u>provider</u> might use an out-of-network <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes	If a referral is required by your Basic <u>Plan</u> , this <u>Plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
